

# The Horse Shoe Crab

June 16, 2013

Motto: Of Crabs, By Crabs, For Crabs

---

*Greetings from Commodore Batchelder*

Happy Father's Day! The weather in Chatham this weekend has been gorgeous, and hopefully that is a sign of good weather for the upcoming summer season, which starts one week from today. Please make plans to attend the Opening Meeting at 1530. The staff will be hard at work this week getting the Club ready for the season, and volunteers are always welcome. I have attached short bios and photos of our staff, which I am sure you will agree with me, is second to none! They will be readily identifiable in the red shirts this summer, and they look forward to teaching your children.

The 2013 Directory is hot off the press, and will be mailed tomorrow to your summer address. If you have any corrections to your Directory entry, please let Regina Shakin, our Club Secretary, know, and she will update our database. The mailing includes the Calendar, which was sent to members in the last newsletter and is posted on shyc.com. Speaking of shyc.com, please take a moment to visit our website, which has helpful information on a number of topics, including our upcoming Opti regatta, volunteer opportunities, and so forth. A special thank you to Vice Commodore Lisa Patten and Technology Committee Chair Emma Rozantes for their hard work on the website this off-season.

Finally, as we remember all of our fathers this day, I wanted to send condolences on behalf of the entire Club to Drew Carlson, whose father, Chuck, passed away earlier this month. Chuck was a longtime member of the Club, and the son of Honorary Member Maude Noyes. His friendly smile and good nature will be missed around the Club.
